AI training, and similar technologies.

ELSEVIER SPAIN, for the purposes provided for in article
32.1 paragraph two of the current consolidated text of the
law on intellectual property (TRLPI), expressly opposes the
partial or full use of any publication appearing in Archivos de
Bronconeumología for the purpose of preparing press summaries
for commercial purposes.

Any form of reproduction, distribution, public communication or

transformation of this work may only be done with the express
authorization of its owners, except where otherwise provided by
law. Please contact CEDRO (Spanish Center for Reprographic
Rights, www.cedro.org) if you need to photocopy or scan any
part of this work.

No responsibility is assumed by Elsevier or Sociedad Española
de Neumología y Cirugía Torácica for any injury and/or damage
to persons or property as a matter of products liability, negligence
or otherwise, or from any use or operation of any methods,
products, instructions, or ideas contained in the material herein.
Because of rapid advances in the medical sciences, in particular,
independent verification of diagnoses and drug dosages should
be made.

Although all advertising material is expected to conform to
ethical (medical) standards, inclusion in this publication does not
constitute a guarantee or endorsement of the quality.
